Gerard Wong, *University of California Los Angeles*

Symposium Overview

Technical Sessions and Organizers:

Biocolloids

Justin Hanes, *Johns Hopkins University*
James Schneider, *Carnegie Mellon University*

Biointerfaces

Kalina Hristova, *Johns Hopkins University*
Deborah Leckband, *University of Illinois Urbana*

Colloidal & Surface Forces

Darrell Velegol, *Pennsylvania State University*
Noshir Pesika, *Tulane University*

Electrokinetics

Zack Gagnon, *Johns Hopkins University*
Todd Squires, *University of California Santa Barbara*

Environmental Aspects

Kai Loon Chen, *Johns Hopkins University*
William Johnson, *University of Utah*

Microfluidics

German Drazer, *Johns Hopkins University*
Shelley Anna, *Carnegie Mellon University*

General Papers

Ilona Kretschmer, *City College of New York*
Raymond Dagastine, *University of Melbourne*

Molecular Assemblies

Margarita Herrera-Alonso, *Johns Hopkins University*
Srinivasa R. Raghavan, *University of Maryland*

Nano- & Micro-Scale Assembly

David Gracias, *Johns Hopkins University*
Orlin Velev, *North Carolina State University*

Particles at Fluid Interfaces

Kathleen Stebe, *University of Pennsylvania*
Anthony Dinsmore, *University of Massachusetts*

Rheology & Dynamics

Robert Leheny, *Johns Hopkins University*
Michael Solomon, *University of Michigan*

Surface Science

Howard Fairbrother, *Johns Hopkins University*
Andrew Teplyakov, *University of Delaware*

Wetting

Patricia McGuiggan, *Johns Hopkins University*
Steve Garoff, *Carnegie Mellon University*

Poster Session

Ana Morfesis, *Malvern*
Jeff Fagan, *National Institute of Standards and Technology*

Special Langmuir Student Awards Session

Symposium co-organizers

Michael Bevan

Johns Hopkins University
mabevan@jhu.edu

Joelle Frechette

Johns Hopkins University
